Dear Ms. Thomas:

On behalf of the APA Continuing Education Committee, I am pleased to welcome you as an APA-approved sponsor of continuing education for psychologists with **Two Year Preliminary Approval**. As you know from the memo previously sent to you, the Committee reviewed your application at the September 18-21, 2008, meeting and found your continuing education program to be in sufficient compliance with the criteria for approval.

A listing of the comments and questions the Committee noted is enclosed in the Review Report. Issues of concern presented in the Review Report should be read in conjunction with the *APA Standards and Criteria for Approval of Sponsors of Continuing Education for Psychologists, April, 2005*. You should review the Report carefully for all concerns that will need to be addressed in your Status Report, which will be **due on October 30, 2009**. The Sponsor Approval System will send you several reminders, along with guidelines for completing the Status Report. You will also be sent reminders of any fees due the Sponsor Approval System.

Please take some time to acquaint yourself with your "Instructions for Directors of APA-approved CE Sponsors" (sent to you upon our receipt of your payments), and the section "Terms of Approval" in the *Policies and Procedures Manual*. This information describes the responsibilities and obligations of APA-approved providers of continuing education.

Thank you for your support and commitment to providing quality continuing education for psychologists. Please do not hesitate to contact me at 202-336-6079 or atongue@apa.org if you have any questions.

Sincerely,

Arlette M. Tongue, MBA
